## OPA Plans To Roll Nation's Prices Back To June Levels

WASHINGTON, July 24—OPA plans to roll back prices of many commodities to June 30 levels, according to a statement issued today by the Office of Price Administration.

The agency has already begun re-establishing the same price levels which were in effect in each of 42 areas when the federal price controls were first imposed at the end of last month.

Except on major food items and certain other products which in no event can be placed under ceilings again before Aug. 20, OPA's plans to roll back June 30 maximum prices apply pretty much across the board.

Officials emphasized that many of these ceilings would be temporary. Under the pending revival bill OPA is required to apply new standards which will require higher ceilings in many cases.

But the bill gives OPA 30 days after enactment to make most of the stipulated changes. In the case of the Barkley amendment, which sets up a new base period for fixing ceilings of manufacturers, producers and processors, OPA need not act for 60 days after an industry committee petitions for a price adjustment.

In some cases, June 30 ceilings probably will be replaced quickly with temporary higher prices calculated under previous OPA standards. Price Administrator Paul Porter has indicated that this course will be followed, for example, on some building materials.

Top OPA officials still are uncertain how some provisions of the bill would be applied. But this is their preliminary analysis:

**UNCONTROLLED ITEMS:** Under no circumstances could ceilings be restored before Aug. 20 on meat, dairy products, cottonseed,

soybeans and on grain and livestock and poultry feeds made from grain. (Ceilings will be re-established on food products made from grain, such as flour, bread and breakfast cereals.)

If an independent three-man decontrol board to be named by President Truman and confirmed by the senate has not ruled by Aug. 20 whether the ceiling-free items should remain so or not, price controls automatically would be restored. OPA would fix the actual ceilings.

Other items on which ceilings

could not be re-established prior to Aug. 20 are poultry, eggs, tobacco, petroleum and their products. In the case of these items, maximum prices could not be restored even after Aug. 20 unless the control board so ruled.

OPA expects the list of ceiling-free products covered directly and indirectly by these provisions to number in the hundreds. On the list, in addition to products mentioned specifically, would be such items as ice cream, canned meat, spreads, cigarettes, cigars, gasoline, kerosene and fuel oil.

**RESTAURANT MEALS** While major food items which make up restaurant and hotel meals would be free of ceilings at least until Aug. 20, these meals would be under ceilings.

However, the cost of dining out probably would be higher than it was June 30 because an OPA regulation provides for basing the price of a meal on the actual cost of raw food. Restaurants could make these price adjustments without clearing through OPA.

**RENTS** The bill makes virtually no changes in rent control provisions.

OPA plans to re-establish June 30 rent ceilings across the board.

**SUBSIDIES** The bill authorizes expenditure of \$1,000,000,000 in subsidies during the fiscal year 1946-47, as compared with \$2,075,133,321 the previous year.

**PROFITS** On "reconversion" items such as automobiles, household appliances and farm implements, OPA is required to restore dealers' pre-war profit margins. On autos, for example, margins had been cut 4.5 per cent to hold down retail prices.

OPA has estimated that elimination of this cut would raise the

price of popular-priced cars by an average of at least \$75.

**CLOTHING** The bill eliminates a requirement that manufacturers produce low-cost clothing it does not touch OPA's authority to fix ceilings on individual garments.

**GENERAL DECONTROL** The bill provides for removal of price controls when supply and demand come into approximate balance.

OPA could retain ceilings only on those farm commodities which the secretary of agriculture certified were scarce.

### WAR PROFITS PROBE WIDENS

Sen. Brewster Says Investigation "Just Peek Under Tent"

(By Associated Press)

WASHINGTON, July 24—Senator Brewster (R-Me.) today termed the senate war investigating committee's study of a midwest munitions combine "only a peek under the tent" in its plans to scrutinize "the whole wartime show of corruption and influence."

His statement to newsmen came as the committee: (1) Called upon the White House for income tax records of undisclosed figures in the combine, (2) asked the War Department for help in its investigation of defective shells from an unidentified source which killed American soldiers and (3) drafted a budget of \$55,000 in new funds to widen the exposure of wartime frauds.

**Surface Just Scratched** "We've only scratched the surface," said Brewster, a member of the committee which has been examining the wartime activities of the combine in which the Garsson brothers, Henry and Murray, were active.

"We saw seven \$1,000 bills in this case," he said. "And there were two million of them floating around during the war. They weren't used for playing pinocchio."

Brewster's comment on the \$1,000 bills was a reference to testimony that Joseph Freeman, Washington sales agent for the combine, carried his pay around in his pocket in that size currency.

Brewster said that one of the first jobs now facing the committee is a determination of priority on the cases called to its attention.

Committee aides told before President-elect's first chairman, a formal request for income tax records of undisclosed pay figures in the combine's wartime operation.

Simultaneously, it demanded from the War department full reports on defective 42 mortar shells.

Maj. Gen. Alden H. Waitt, chief of chemical warfare service, has acknowledged these killed some American soldiers. He said it was doubtful whether the responsibility could be pinned down to any particular producers.

### FRUIT GROWERS TO MEET ON TUESDAY

### Judge Sharp Replies To Sheriff's Charge

Common Pleas Judge Joel Sharp today issued what he terms a "statement of the facts" in answer to a declaration by Sheriff George Hayes Tuesday that the investigation of the murder of Mrs. Geraldine Bock had been halted "because of orders from the common pleas court and other routine court business."

Hayes said that further investigation of the July 16 slaying would be impossible until he and his staff of two field deputies were relieved of execution of routine court business.

**Text of Statement** Judge Sharp's statement follows: "I have noticed in the papers that the investigation of the murder of Mrs. G. E. Bock has been brought to an abrupt halt because of my orders. I feel that a statement of facts is in order."

"On June 27, 1946, Robert E. Smith charged with armed robbery was brought into court. Mr. Smith offered a plea of simple robbery."

"In view of his actions, and the circumstances of the case, I felt that there was a serious question of his sanity and ordered that he be committed to the Massillon State hospital to remain under the observation of Dr. Arthur Hyde for a period of not exceeding one month and I ordered the sheriff to take said defendant to the Massillon State hospital forthwith."

"This was three weeks before the body of Geraldine Bock was discovered."

"On July 2, 1946, Lawrence Abraham Wheatley, charged with the murder of Mrs. Letha Barrett, was brought into court for arraignment. A plea of not guilty and not guilty by reason of insanity was entered."

"I determined to send Mr. Wheatley to the Lima State hospital for observation, but at the request of his counsel that they be permitted to have a conference with him on Friday, June 5, the sheriff was ordered to bring him to the courthouse on that day and then was ordered to convey him to the Lima State hospital at any time from and after Saturday, July 6, 1946."

"This was a week and a half before the body of Geraldine E. Bock was discovered."

"On July 8, 1946, Janet Frye appeared in court and pleaded guilty to a charge of operating a motor vehicle without the owner's consent. She was sentenced to be imprisoned in the Women's Reformatory at Marysville for not less than one nor more than 20 years."

**Deputies Could Make Trip** "On July 17, 1946, the body of Mrs. Geraldine E. Bock was discovered and an investigation commenced by the prosecuting attorney, the sheriff and his deputies. On the evening of July 17 the sheriff, at his own instance, halted the investigation of the Bock murder and took Janet Frye to Marysville."

"When on July 22 it was brought to my attention that Robert E. Smith had not been taken to Massillon and that Lawrence Abraham Wheatley had not been taken to Lima, I ordered the sheriff to convey these defendants forthwith to those institutions. I suppose that this was the reason for the sheriff's statement to the newspapers."

"There is no law which requires the sheriff personally to take the prisoners to the various institutions and there is no reason why the sheriff, in investigating himself, cannot delegate a deputy to make the trip."

**Underwater Bomb Test Set For 5:35 Today**

ABOARD THE USS MT. McKinley, Thursday, July 25—A small group of scientists and Rear Adm. W. S. Parsons boarded a barge in Bikini lagoon shortly before last midnight to conduct the trigger for today's underwater atom bomb test against 75 target ships.

The boarding followed a mid-evening meeting at which Vice Adm. W. H. P. Blandy decided, in view of improving weather conditions, to go ahead with the test on schedule. This calls for detonation at 8:35 a. m. (5:35 p. m. Salem time, today) or as soon thereafter as weather permits.

**'TB', Child Welfare Levies For County**

LISBON, July 24—County voters will elect two tax levies at the Nov. 5 election, one for eight-tenths of a mill for hospitalization of tuberculosis patients and the other for four-tenths of a mill to provide funds for the welfare of children, county commissioners said today.

The first proposal will furnish badly needed funds, estimated at approximately \$75,000 a year under normal collections, to care for patients under county care in tuberculosis institutions.

The second levy is planned to raise \$37,000 a year for the new child welfare program and the county's share of the upkeep of the Fairmont Children's home, near Alliance.

Both levies are for three-year periods.

**COLUMBIANA BARN DESTROYED BY FIRE**

COLUMBIANA, July 24—A large barn, belonging to W. J. Long who resides on Route 558, just south-west of Columbiana, was completely destroyed by fire of undetermined origin late Tuesday afternoon.

Although damage and loss are unestimated as yet it is known that two heifers, a cultivator and digger, a grain separator, 300 bushels of wheat and 25 tons of hay were lost in the fire.

The blaze was discovered by Mrs. Long shortly after her husband had left for Columbiana. Neighbors and Columbiana firemen assisted in saving two horses and a bull.

Part of the loss was covered by insurance. Long indicated. The barn was built eight years ago.

**Boy Drowns In Canal**

MIDDLETOWN, July 24—The body of six-year-old Paul E. Lee, Jr., was recovered yesterday from a small canal which flows through a section of the city. The child fell into the stream while playing with a group of other youngsters.

### Arabs Threaten Action To Keep Order In Palestine

Jerusalem for leaders of the Jewish underground organization Irgun Zvai Leumi.

An announcement purportedly from that organization, received by the Associated Press last night, said that Irgun Zvai Leumi "soldiers" staged the bombing, which resulted in at least 48 persons killed, 55 injured and 72 missing.

The question most frequently asked in the Holy land was what effect the explosion would have on the admission of additional Jews to Palestine.

**Ask U. N. Trusteeship** Egypt, Iraq and five other Arab countries asked the United Nations in New York take action to bring the British mandate under U. N. trusteeship.

The Arab warning to the British accused Atlee's administration of "being too reluctant to use its full forces to wipe out terrorism and protect Arabs in Palestine."

If terrorism continues, the statement issued by the Arab executive said, "Arabs will be forced to protect their sons and interests with their own resources."

The arrest last night of two wounded Jews brought to 29 the number of Jewish suspects now being held by police investigating Monday's bombing. Earlier, two other Jews—one wounded and one dead—were found by police in a schoolhouse in the old city. Police said they found two complete sets of Arab clothing, bloodstained and punctured by bullets, in the school.

Eyewitnesses have asserted that eight youths who planted milk cans containing explosives in the hotel were dressed as Arabs, but spoke Hebrew.

### 6 Wellsville Deaths Traced To Infection

WELLSVILLE, July 24.—Two state health department representatives joined Dr. J. Verne Rice, Wellsville city health commissioner, today in efforts to halt spread of an epidemic of throat infections blamed for six deaths.

The latest victims were Ernest, 6 son of Mr. and Mrs. Everett Alford, and Jackie, 7, son of Russell Cunningham.

Dr. Rice, who immunized with anti-toxin, 150 children under 15, in the eastern part of the city, said the illness had not been diagnosed as diphtheria.

Tests have been made of milk and water supplies in an eastern residential area.

### Wage Increases Granted To Lisbon Plant Staff

LISBON, July 24—Wage agreements granting an 18% cent an hour increase, retroactive to June 1, were given approximately 130 employees of the R. Thomas & Sons Co. porcelain works here today after several months of contract negotiations supervised by a federal wage conciliator.

The wage boost and the new contract are being drawn up today, management officials said. The union is the Porcelain Workers of America, Local 797, an affiliate of the American Federation of Labor.

The firm is contracted for a large amount of work in the near future, officials said, and plans to add a considerable number of employees to its personnel.

## Madame Sun Posts A Warning

Madame Sun Yat-sen, widow of the revered founder of the Chinese republic, warns that the United States is being both drawn and pushed into Chinese civil strife over communism. The ultimate aim of the involvement, she declares, is to provoke war between the United States and Russia.

Her advice is to stop sending military supplies to China unless the United States is assured of a representative Chinese coalition government. This is an open criticism of Madame Sun's brother-in-law, Chiang Kai-shek, leader of the existing nationalist government and of the Kuomintang, her husband's political organization.

Lacking a coalition government, the United States would be wiser, one gathers from Madame Sun's remarks, to withdraw from China. She declares that it is not only Chinese reactionaries, but American reactionaries, who are willing to participate war between this country and Russia.

Whether she wants the United States to leave China to its civil war, or believes the threat to do so would force the present government to broaden its political base and thereby further American assistance, is not clear. Nor is it clear what she thinks further American assistance might accomplish. It is clear only that the widow of the father of Chinese republicans is disturbed.

Madame Sun's warning sounds vague and remote—as vague and remote as the warning, when civil war was brewing in Spain, that World War II might grow out of it. But there is a tremendous difference between China and Spain.

China was our wartime ally and a military beneficiary of the United States. American troops are quartered in China. They are committed to one side in a civil war which already is being fought, despite the efforts of Gen. George C. Marshall to reconcile the opposing factions. An incident could bring our troops into armed conflict; it could shock Americans into realizing what we thought never would be forgotten after Pearl Harbor—that the United States is all that stands in the way of domination of Asia's millions by the strongest Asiatic power. In 1941 it was Japan. In 1946 it is Russia.

The circumstances of World War III lie not so much in the innumerable frictions of European disintegration as in the possibility of Asiatic integration by a government hostile to America.

## Three Men Will Decide

Key to the congressional compromise on price and profit control is the three-man board it creates to make OPA policy.

If the compromise becomes law, OPA will be given a renewed lease on life as an enforcement agency only—and with severely-limited power to do that.

Authority will rest with three presidential appointees subject to confirmation by the Senate, whose majority is on record for liquidating OPA.

The compromise proposal would reinstate rent control, which otherwise would be exercised by state and local authority anyway, because the nature of the housing shortage makes public control inevitable.

But just about everything else that OPA was authorized to do henceforth would be subject to the decision of the newly-appointed triumvirate succeeding the one-man rule which made price control obnoxious to Congress.

Moreover, the triumvirate's power of decision would be held in abeyance for another month of freedom from price and profit control. During that time adjustments which began July 1 would continue.

President Truman, it is reported, is prepared to accept the compromise, though it is less favorable than the original compromise which he rejected. His choice now, with Congress preparing to adjourn for the rest of the year, is between something and nothing. It must be obvious to him by this time that if the issue were to go through Congress again the result would be nothing.

## Bullets For Bolivia

Bolivia's newest outburst of political violence is timed with apparent aim to create a new regime by the anniversary of Simon Bolivar's birth, 163 years ago on July 24.

Bolivians paying honor to the soldier-statesman who liberated what now are the republics of Venezuela, Colombia, Ecuador, Panama, Peru and Bolivia from Spain will reflect, perhaps, in the midst of their latest political reorganization that Latin America's fight against European influence is still going on. Bolivia overcame the Spaniards in 1825, but neither it nor any South American republic yet has overcome the notion that South America should be indoctrinated with European ideas.

To the south of Bolivia, Argentina has been claimed by German Nazism and now is being cultivated by Russian Communism. Chile, to the west, was cultivated by Japan. What may underlie the overthrow of Bolivia's Villarroel regime and the murder of its leader is problematic. There may be only the motive that has made violence in politics the rule rather than the exception in South American politics—the motive of getting rid of one dictatorial president so another dictatorial president can take his place.

Bolivia knows how to use the ballot, but bullets are quicker.

## The Atomic Difference

The possibility that the Navy department may underestimate the potency of atomic bombs after the Bikini tests is made remote by an item of unauthenticated history.

Twenty-five years ago when the Navy tested the effect of ordinary bombs on fleet unit after Brig. Gen. Mitchell had claimed his army airmen could

sink anything afloat, its spokesmen were so sure of themselves that Secretary of Navy Denby is reputed to have offered to stand on a battleship's bridge while Mitchell's aviators did their worst.

Fortunately, he didn't insist. The theoretically unsinkable German dreadnaught Ostfriesland was the prime target for the tests. Six bombs hit it in 25 minutes. The seventh fell where the dreadnaught had just sunk. The tests today are to determine whether one atomic bomb can sink not one ship but a whole fleet of ships—and Secretary of the Navy Forrestal is not rumored to be willing to stand on any battleship bridges as a gesture of defiance.

The Navy Department cannot be expected to scout itself out of terror of the new bomb, but there is no indication that it lacks respect for the power of an explosion that might put a whole fleet out of commission in an instant.

The Stars Say  
For Thursday, July 25

THE MOST auspicious auguries are noted at this time, giving quickened energies, sound, constructive ideas and unflinching endeavors in the direction of achieving the most cherished hopes, wishes and ambitions, whether these pertain to personal or business life. Those in high places are co-operative financially and with encouragement, impressed by sound and progressive programs, born of practical and efficient techniques.

Large achievements are indicated perhaps where developments surprise by their magnitude. Nevertheless some caution would not be amiss, as over-confidence or overreaching might "upset the apple cart." Relax and reflect.

Those whose birthday it is find themselves confronted by a year of dramatic possibilities for attaining the land of heart's desire, with lofty goals and achievements within grasp. This with sound study of underlying factors, wise and astute methods and tactics, largely directed at the co-operation and financial support of those in powerful productive places.

Such must be impressed by constructive and workable plans and advanced objectives, well-organized and demonstrated. But pause for reflection to get proper perspective on the prospects for such startling and long-range adventures, in which there might be romantic and thrilling side issue.

A child born on this day is equipped for large and important objectives in life, in which there might be much happiness, progress and sensational performance.

## GUARDING YOUR HEALTH

## Mild Lack of Needed Vitamins

BY HERMAN N. BUNDESEN, M.D.

YESTERDAY, I discussed the symptoms which may occur in mild deficiencies of vitamin A and C, and pointed out that diagnosis of such deficiencies might be difficult to make. Similarly, it is not always easy to tell about deficiencies of various parts of the vitamin B-complex, such as B1 or thiamin, B2 or riboflavin, and niacin which has to do with pellagra.

Severe deficiency of thiamin will cause enlargement of the right side of the heart. Inflammation of the nerves of the legs, particularly, with difficulty in walking and some swelling of the tissues, due to a collection of fluid in them, also occurs. Such severe deficiencies are seen infrequently.

## Thiamin Lack Common

Mild deficiencies of thiamin are much more common. In such cases the symptoms include weakness, painful calf muscles, and numbness and tingling of the feet or hands. When such symptoms develop and the cause for them cannot be found it is worthwhile trying treatment with large doses of thiamin, according to Dr. William H. Sebrell of Bethesda, Maryland.

A lack of riboflavin or vitamin B2 will cause inflammation of the lips or cheilosis, cracking in the angles of the mouth, and mild inflammation of the skin, with scaling around the nose and at the outer corners of the eyes.

In many instances, there also may be some disturbance of the eyes with watering, pain on exposure to light, and a gritty feeling in the eyes. Such symptoms may be due to other disturbances of the eyes such as conjunctivitis or inflammation of the lining membrane of the eyeball.

If the disturbance is due to a deficiency of riboflavin, prompt relief occurs when riboflavin is given in adequate amounts. The disturbance of the lips and corners of the mouth may require two or three weeks for a cure.

## Mouth Inflammation

A mild deficiency of niacin will cause some inflammation of the mouth and tongue. Of course, such inflammation may also be produced by infections. However, treatment with niacin should be attempted in such mouth inflammations and when they are due to a deficiency, a cure quickly results.

Mild vitamin deficiencies almost never threaten life, but they can take all the joy out of it by preventing robust, vigorous health. If they occur when other disorders

are present, they may delay recovery and make it more difficult.

Because the means to correct them is so readily available, it is foolish to struggle along in the state of half-aliveness which these mild deficiencies induce.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th st., New York City.

## Wheat Crop Saved By Court Edict

REBON, July 24.—A restraining order permitting the harvesting of wheat crop in order that the crop might be saved, remained in effect following a hearing in which Judge H. H. Sharp refused to dissolve an injunction granted July 9. The matter was continued to July 24 for further hearing. The restraining order was obtained in the court by Mrs. Anna Dolene and son, William Dolene, last Joseph Mattevi. The latter, purchased the Dolene farm at Lisbon last September under contract excluding hay or corn in the barn or in the ground. Dolene returned to cut the wheat crop threatened and ordered Dolene from the property. Judge Sharp granted injunction and Dolene was ordered to cut the wheat.

## Mahoning To Vote On 'TB' Care Levy

Mahoning county voters will be asked to approve a 65-mill annual levy for the next five years at the November election to provide funds to operate the Mahoning tuberculosis sanatorium. Of the total amount 5 mill is a renewal of the present levy which expires at the end of this year. County Commissioners Fred A. Wagner, Thomas R. Bees, and Thomas J. Carney explained they are asking for the increased levy to meet steadily increasing costs of operation which are expected to be even greater as the hospital capacity is reached. In addition, general fund money they provide will be used to complete the building program and improve the hospital facilities.

## High Cost of Living No Worry To This Man

STOUGHTON, Mass., July 24.—Leonard A. Whitten, 60, a carpenter who estimates his yearly expenses at \$400, is not concerned about the high cost of living. Here's why: Home? He built the two-room house he lives in. Vegetables? He grows them. Meat? He goes hunting for that. Haircuts? He lets it grow. Electricity and telephone? Doesn't have any. Fuel? He cuts his own wood. And furthermore, he takes all summer off.

## Sheriff Orders Release Of Suspect In Bock Slaying

Lansdale, Pa., man held for slaying of a woman, Mrs. Geraldine Bock, near Alliance last week, was not in the description of a suspect seen near the scene of the crime, Allegheny County Sheriff J. P. Casey said today.

Casey said the detective bureau received authorization from G. Hayes of Columbiana to release the man since the description did not tally with given by farmers living near where the bullet-pierced, mangled body of Mrs. Bock was found.

Casey identified the man as M. Bagosy, 28, of Lansdale, Pa., and said he would be turned over to West Deer township police for hearing on a vagrancy charge.

Deer Police Chief Sabatini said Bagosy late Friday while walking along a railroad track near Russellton, Sabatini said the man was carrying a hatchet and had admitted hitch-hiking from Ohio last week. Bagosy claimed he was not in the vicinity of Salem or Alliance.

## Farmers To Hold Meeting On Aug. 1

Meeting of fruit, vegetable and growers of Columbiana and surrounding counties will be held at the grand grange hall at 9 p. m. Monday, Aug. 1.

County agents of the two counties are arranging the meeting, which the main purpose will be to discuss spraying and insecticides for the control of insects on fruit, vegetables and potatoes and to hear reports of growers on the chemical weed killers on certain vegetable crops. Several growers will discuss their experience with some of the newer spraying equipment.

## Eye Doctors Named In Federal Anti-Trust Suit

CHICAGO, July 24.—The Department of Justice today filed two civil suits in federal court charging optical wholesalers and approximately 5,000 leading eye doctors throughout the country with violating anti-trust statutes.

Willis L. Hotchkiss, special assistant to the attorney general, said the alleged Sherman act violations took place by fixing prices on spectacles through the device of rebating to the eye doctors approximately half of the total price paid by their patients for glasses.

One suit named as defendants Bausch & Lomb, Rochester, N. Y., and four subsidiary companies as well as 30 eye doctors who, Hotchkiss said, were named in a "representative capacity."

## East Palestine Factory To Manufacture Washer

EAST PALESTINE, July 24.—Production will begin by Aug. 15, at the local plant of the Ingram-Richardson Manufacturing Co., on the manufacturing of a combination dish and clothes washer. David Saras, general superintendent, announced.

The new product washes and dries dishes and clothes and has an 18 by 24-inch sink located on the right side of the washer.

## Mahoning To Vote On 'TB' Care Levy

Mahoning county voters will be asked to approve a \$5-mill annual levy for the next five years at the November election to provide funds to operate the Mahoning tuberculosis sanatorium.

Of the total about 5 mill is a renewal of the present levy which expires at the end of this year.

County Commissioners Fred A. Wagner, Thomas R. Bees, and Thomas J. Carney explained they are asking for the increased levy to meet steadily increasing costs of operation which are expected to be even greater as the hospital capacity is reached.

In addition, general fund money they provide will be used to complete the building program and improve the hospital facilities.

## High Cost of Living No Worry To This Man

STOUGHTON, Mass., July 24.—Leonard A. Whitten, 60, a carpenter who estimates his yearly expenses at \$400, is not concerned about the high cost of living. Here's why:

Home? He built the two-room house he lives in.

Vegetables? He grows them.

Meat? He goes hunting for that.

Haircuts? He lets it grow.

Electricity and telephone? Doesn't have any.

Fuel? He cuts his own wood.

And furthermore, he takes all summer off.

## Christmas Tree Waited

WILLIAMSPORT, Pa.—Christmas came six months late this year for war veterans William L. Noon and John H. Park, but it lacked none of the trimmings.

Their families gathered around a gayly decorated tree in the living room as Noon's fiancée, Billie Meier, presented gifts to the men.

Miss Meier left the Christmas tree standing so her husband-to-be and his friend "might enjoy a holiday upon their arrival on American shores."

## LEETONIA

The monthly meeting of the L. F. Mellinger Bible class of St. Paul's Lutheran church was held at the home of Charles Steltz, Leetonia road, Tuesday evening, with Mr. Steltz, Roy Crook, Eldon Holt, Jr., and Marcus Holt in charge.

Willing Workers class of St. Paul's Lutheran church, taught by Mrs. H. C. Brillhart, was entertained at a "Circus Party" at the church parlors Monday evening, with Mrs. Ralph Kennedy, Mrs. Owen Cook and Miss Florence Wilhelm associate hostesses.

Miss Wilhelm had charge of the devotionals, and Mrs. C. Eldon Holt, Jr., had charge of the entertainment. The hostesses served lunch.

Mrs. Florence Barnes of Dayton is spending the summer with her parents, Mr. and Mrs. C. R. Hollenshead.

Mrs. Kathryn Gray has returned from a five week trip to Pittsburgh, New York, Boston and Maine.

Martha Zimmerman, daughter of Mr. and Mrs. Chalmers Zimmerman, and Nancy Steltz, daughter of Mr. and Mrs. Charles Steltz, left Sunday for two weeks at the Lutheran Camp Mowana, near Mansfield.

Paper, golf balls, fountain pens and many other useful articles are now made from cornstalks.

## "UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it. You get genuine relief that makes you feel really good again.

Get Carter's Pills at any drugstore—25¢. "Unblock" your intestinal tract for real relief from indigestion.

## Women's Guest Day Event At Golf Club Attended By 67

Guest day was observed by the women of the Salem Golf club Tuesday, when women of the East Liverpool and Weirton, W. Va., country clubs were entertained at a luncheon-golf-bridge party.

Lunch was served to 67 persons by a committee including Mrs. F. P. Mullins, chairman, Mrs. Robert B. Kernohan and Mrs. N. C. Hunt. The dining room was decorated with bouquets of gladioli.

Prizes in golf contests, in which there were 36 participants, were won as follows:

Low gross, Mrs. Willie Wells of East Liverpool; low net score, Mrs. Stanley Newbrander and Mrs. Rob-

ert Hills of Weirton; low putts, Mrs. John Mountford and Frances Brewer of East Liverpool; and Mrs. Martin Polder of Salem; closest to pin on No. 6, Mrs. George Steele, East Liverpool; longest drive, Mrs. Fred Brown of Weirton.

### Prizes In Bridge

Bridge prizes went to Mrs. Anthony Woina of Salem and Mrs. Mountford and Mrs. James Jackson of East Liverpool.

The golf committee included Mrs. Arthur Lind, Mrs. Lester Kille, Mrs. Frank Brian and Mrs. Albert Kaufman.

The Salem group will be guests of the Weirton women July 31 at the Williams Country club.

## Couple Wed In Nuptials Sunday

An improvised altar of mixed gladioli and snowballs formed a lovely setting for the wedding of Miss Alice Eppinger, daughter of Mr. and Mrs. C. E. Eppinger, Arch st., and George L. Jackson, son of Mr. and Mrs. Endres of Walnut st., at 1:30 p. m. Sunday at the home of the bride's parents.

The bride, given in marriage by her father, wore a gray suit with white accessories and a corsage of Rubrum lilies.

Miss Elizabeth Eppinger served as maid of honor to her sister, wearing a gray suit with white accessories and a corsage of gardenias and roses.

Donald Thomas served as best man.

The couple's mothers were attired in black dresses with white accessories and wore matching corsages of red roses and gladioli.

The bride presented her attendants a chattrain and the groom gave the best man a billfold.

A reception for 24 guests at Weir farm, Lisbon road, followed the ceremony. The table was centered with a tiered wedding cake topped with miniature bride and groom.

Guests were from Portersville and Finleyville, Pa., and Salem High school, is employed as secretary to C. S. Chisholm. The groom is also a graduate of Salem High school and is employed at the Deming Co. plant.

After a wedding trip to Conneaut, Pa., the couple will live temporarily with her parents.

## SENT TO PEN ON FORGERY CHARGE

LISBON, July 24.—James William Novak, of Wellsville, recently returned here from Steubenville to face two indictments charging forgery, returned against him by the grand jury in September, 1944.

Novak, before Common Pleas Judge Joel H. Sharp Tuesday afternoon and entered a plea of guilty. He was sentenced to a term of from one to 20 years in the Ohio penitentiary.

Novak was charged with forging the name of Curtis Keller to an automobile title which he sold to the Carroll Motors in East Liverpool, and with then again having forged Keller's name to the check which he received in payment for the car.

## German Sub Helicopter Undergoes Army Tests

DAYTON, July 24.—The German "Sandpiper," a motorless combination kite and helicopter used by Nazi submarines for air observation, is undergoing tests in the Army's aerial laboratory at Wright field, the Air Materiel command reported today.

The odd craft weighs only 180 pounds but its three-bladed 24-foot rotor will support an observer when towed by a 200 to 500-foot cable attached to a submarine. The kite can maintain an air speed of 25 miles an hour and is controlled by the conventional stick and rudder pedals. The landing skids can be folded and the entire craft knocked down for easy storage.

## Parents Warned To Investigate Baby Sitters

CHICAGO—Even if there aren't enough baby-sitters to answer the demand, the Chicago Council of Social Agencies warns mothers to investigate anybody who applies for the job.

For safety, the council advised: Never leave the youngsters in the care of a male baby sitter.

Be sure the sitter is at least 14 years old.

If you're not lucky enough to find someone in the neighborhood, call the placement officer of your local school.

Ask for references, for instance, from a teacher.

And once you find someone to sit with the kiddies, advise her not to entertain her boy friends while you're making merry.

But, said the Council, a thoughtful parent will leave some food available to avoid hunger panic in the growing girl.

And a final tip: Be sure to leave the telephone number of your family doctor and the number where you or a member of your family may be reached in an emergency.

## Witnesses Miracle

MUNCIE, Ind.—Mrs. J. M. Clark saw what she believes was a miracle. A child wandered into a busy street at night. Two automobiles approached, each blinding the other with its headlights. Mrs. Clark said she was certain one of the cars would run over the child. But just then, an auto parked in a driveway rolled driverless into the street, blocking the path of the oncoming car. The approaching auto stopped, and Mrs. Clark ran out and picked up the tot.

## Wounded By Stray Bullet

EAST LIVERPOOL, July 24.—Miss Dorothy Robb, 19, of nearby Chester, is in the Cleveland Clinic today as a result of an accidental shooting.

Miss Robb and two girl friends had stopped to rest after riding their bicycles from Chester when she was struck in the right temple by a .22 calibre bullet. The gun was fired by Miss Maxine Smoot, 21, of R. D. 1, Chester, who stated she was attempting to shoot a cat.

## Parents Warned To Investigate Baby Sitters

CHICAGO—Even if there aren't enough baby-sitters to answer the demand, the Chicago Council of Social Agencies warns mothers to investigate anybody who applies for the job.

For safety, the council advised: Never leave the youngsters in the care of a male baby sitter.

Be sure the sitter is at least 14 years old.

If you're not lucky enough to find someone in the neighborhood, call the placement officer of your local school.

Ask for references, for instance, from a teacher.

And once you find someone to sit with the kiddies, advise her not to entertain her boy friends while you're making merry.

But, said the Council, a thoughtful parent will leave some food available to avoid hunger panic in the growing girl.

And a final tip: Be sure to leave the telephone number of your family doctor and the number where you or a member of your family may be reached in an emergency.

## Witnesses Miracle

MUNCIE, Ind.—Mrs. J. M. Clark saw what she believes was a miracle. A child wandered into a busy street at night. Two automobiles approached, each blinding the other with its headlights. Mrs. Clark said she was certain one of the cars would run over the child. But just then, an auto parked in a driveway rolled driverless into the street, blocking the path of the oncoming car. The approaching auto stopped, and Mrs. Clark ran out and picked up the tot.

Lions Club Convention Delegate Walks Three Miles To Pay Bill

Rev. Fr. William Appell, Salem Lions club delegate to the recent Lions International convention in Philadelphia, walked three miles the day the Lions staged their mammoth parade—and he wasn't in the parade, either.

Hurriedly finishing his meal at the hotel where he was staying, Fr. Appel walked a mile and a half up the street where he could have a good view of the procession.

While watching the parade the assistant rector at St. Paul's church here realized he had forgotten to pay his meal check. So, after the parade, Fr. Appel trudged wearily back to the dining room where he hadn't even been missed.

### Report Is Heard

Fr. Appel gave a report of the convention proceedings at the Salem club's dinner meeting Tuesday evening at the Lape hotel.

A talk was given by Atty Harry Brokaw of East Liverpool, who discussed "Laws and Why We Have Them." Clond Reynard served as program chairman.

The selection of Howard Beecher as club secretary to succeed Emory J. DeMers, who leaves Friday for Beaver Falls, N. Y., to make his home, was announced by Clyde Dickson, club president.

Lions club members will hold an outing and dinner next Tuesday at the Valley Golf club, near Columbiana.

eral weeks with his son, Clarence Ellison, of Hanoverton, has returned to the home of his daughter, Mrs. Merle Shreve.

Mr. and Mrs. A. L. Pemberton, Mifflin Hall, Clinton Hampton and Linda Bye attended the funeral of William Sears at Barnesville Monday.

Mr. and Mrs. Walter Williams, Jr. of Lakeland, Fla., and Mr. and Mrs. Paul Williams of Cleveland were guests of Dr. and Mrs. Walter R. Williams Sunday. Mr. and Mrs. Walter Williams, Jr. left Monday for their home in Florida.

Mr. and Mrs. Lea Hoopes have moved to their home which was recently occupied by Mr. and Mrs. Frank Hartline and son.

Mrs. Margaret Chambers and son, Rev. Curtis Chambers, returned home from Mount Pleasant, where Rev. Chambers had charge of the music at the Friends church there in a series of evangelistic services.

Sister In Maryland Dies

Mr. and Mrs. Fred Israel received word of the death of her sister, Mrs. C. L. Clark of Hagerstown, Md.

Mr. and Mrs. E. M. Steer have received word of the serious illness of his brother, Lewis Steer of Barnesville.

Mrs. Fred Chambers and daughter, Peggy, are visiting Miss Eva Davis of Senecaville.

Enjoy Church Outing

Approximately 180 attended the Union Sunday school picnic of the Methodist and Friends churches at Firestone park, Columbiana, Friday.

Miss Helen Steer served as maid of honor for Miss Lorene VanMatroff, Sheridan, Ind., who was married Sunday. The girls were college friends at Marion, Ind. Miss Steer returned home Monday.

Mr. and Mrs. Kenneth Cobbs and Mr. and Mrs. Virgil Cobbs joined friends from California in a picnic supper at New Castle Saturday.

Mrs. John Rayburn and children are spending three weeks at Lake Misaukee, Mich. They accompanied Mr. and Mrs. Thomas Rayburn and family of Marion.

## Complete Frame Straightening

A chassis misalignment is hard to detect by a car owner, but it has its effect on the riding qualities of the car and it takes its toll in increased operating expense and wear on the motor and transmission units.

### CAUSES

A severe strain placed upon your car, even at moderate speed, will cause chassis misalignment.

### JUST LIKE NEW

Come in our garage and let us drive your car on our Best Alignment Machine. Let us check your car. Let us show you how your chassis, if out of alignment, can be straightened just like the day it left the factory.

# Washingtonville Blasts China's Flag Run With 4-3 Win; Crescents Move To Within A Game Of Mullins In American

## Leetonia Trips VFW 5-3 As Keglemyer Romps At Plate; Sinclair Pummels Furnace

Paced by heavy hitting Ned Keglemyer, Leetonia's Crescents closed the gap between themselves and Mullins to one full game Tuesday night by edging the lowly VFW team 5-3 at Centennial park.

The Sinclair Oilers swept to an easy 10-1 win over the Electric Furnace in the curtain-raiser.

The Vets took an early one run lead in the second inning, but the Crescents tied it up in the third on a circuit clout by Keglemyer.

Leetonia then went ahead with a two run rally in the fourth on two errors by the Vets. They were never headed after that point, tallying another run in the sixth.

John Churen, Leetonia moundman, allowed seven safe baselines, walked one and fanned five. Fred Cain held Leetonia to six safeties, but walked five men.

Keglemyer continued his sensational hitting with two doubles, in addition to his homer, in three trips to the plate. Spencer and Fred Cain collected two hits apiece for the VFW.

Keglemyer surplanted Pat Mancuso as Leetonia's top hitter and, if he performs as well in the Crescent game Friday against the Eagles, stands a good chance of being the loop at the end of the week.

The victory brought Leetonia up a game and a half over third place Ohio Grill.

By virtue of 12 bases on balls, Sinclair won their game over the Electric Furnace. The Oilers continued to swing blindly, collecting four hits an extension to their team batting slump.

Bob Miller, the loop's top pitcher, earned two singles out of four trips to the plate. The other two Oilers knocked were contributed by "Si" Sidinger and Fred Schmid.

Chet Brautigan limited the Furnace to five bingles. The losers had Howard Gray and Brown on the hill. Between them they issued 13 men and struck out four.

The first seven Sinclair runs came on only two base hits and were scored in the first two innings. They added three more in the fifth on three walks and two singles.

Leading hitter for the Furnace was Bob Buchanan, who got a pair of singles.

The win moved the Oilers up to three games behind the Jaycees and Eagles, who rest in a tie for fourth place.

## TRIBE SETS SIGHT ON FOURTH PLACE

Feller Set To Shoot For Win No. 18 Today As Reynolds Wins

CLEVELAND, July 24.—Cleveland's Indians set their sights on fourth place today and judging from their recent efforts the Tribesmen are a good bet to make it.

Welcomed home from the east last night by a crowd of 25,399, the Indians went to work and put on a show.

Allie Reynolds, who comeback has solved one of Manager Lou Boudreau's main hurling problems, shut out the Philadelphia Athletics with three singles as Cleveland won 2 to 0 to move within three games of the first division's lower rung.

The triumph was Reynolds' fourth straight and sixth of the year.

The Athletics didn't make a solid hit off Reynolds until the eighth inning. Pete Suder scratched a single to deep short in the fifth but Pinch Hitter Tuck Stainback delivered the first clean hit in the eighth. Sam Chapman collected the other hit in the ninth.

Bob Feller will shoot for his 18th triumph as the club's resume their series today. The A's nominated Rookie Bob Savage.

Potter Dale Ritchie, one of the hardest working hurlers in the loop, was far from ineffective, but the Hunter Machine lads did get to him for a juicy seven hits which seemed to come when needed. He walked none and fanned three while his mates committed a pair of errors.

Washingtonville's Bell hurled a beautiful game and was backed by some of the finest fielding seen this season in the National. He gave up eight hits but kept them well scattered and got out of some precarious situations. He walked two and fanned one.

The Old Timers showed some of the form seen in the past two seasons Tuesday, defeating the Italian outfit as Pitcher Pauline was backed up by some of the veteran Rec stars who have been idle for weeks.

After nothing one run in the opening frame, the Rec came to life again in the fourth to blast away for three straight hits culminated by Martin "Peanut" Debnar's triple which scored Jimmy Primus and Ralph Moffett, both of whom hit safely with one away.

Both hurlers were in the same groove, but Pauline's job paid off. Pauline gave up four hits, fanned three and walked none while his mates dished out a pair of errors. Bill Guappone's mound assignment turned out exactly the same with the exception of the four run difference.

The victory moves the Recreation a half game closer to the top but their notch is still No. 7. The Italian A.C. dropped a half game ahead in fourth, half a game ahead of Bingley.

## Johnny Davis Tags Potter Hurler In Extra Inning Win; Rec Measures Italian Club

A spirited Washingtonville softball outfit threw a bombshell into the Salem China's National league pennant chances by blasting out a thrilling 4-3 victory in the ninth inning of a crowd pleaser at Centennial park Tuesday.

In the other loop tilt a rejuvenated Recreation team, piloted from the sidelines once again by Joe Kelley, experienced a relatively easy evening, winning over the Italian American club 4-0 as Bill Pauline twirled a neat four-hitter.

The Washingtonville victory, which moved the China to a full game below league-leading Demings, was featured mainly by the blistering attack at the plate displayed by talented Johnny Davis, Bingley backstop.

Davis, literally on fire at the plate, slapped away for a home run, a triple and a single in four trips to the pan. He scored two of his team's runs and knocked in the winning tally with the single in the first of the ninth scoring Buck Jones, who had led off with a single.

Potter Dale Ritchie, one of the hardest working hurlers in the loop, was far from ineffective, but the Hunter Machine lads did get to him for a juicy seven hits which seemed to come when needed. He walked none and fanned three while his mates committed a pair of errors.

Washingtonville's Bell hurled a beautiful game and was backed by some of the finest fielding seen this season in the National. He gave up eight hits but kept them well scattered and got out of some precarious situations. He walked two and fanned one.

## Dodgers Edge One Over Siceville

The Salem Altohouse Dodgers edged out the Siceville Merchants in a tilt played in Youngstown Tuesday night when they pushed across a three run rally in the eighth inning 4-3.

"Buster" Wukotich twirled for the locals and allowed seven hits. The Salem team collected 10 safeties off the deliveries of the Siceville hurler, F. Squeneri.

Leading hitters for the winners were Mel Wukotich, "Batty" Morrison and Steve Cibula. Cibula connected for a home run.

The Dodgers meet the Ringside club of Youngstown at 6 p. m. at Centennial park tonight.

# Washingtonville Blasts China's Flag Run With 4-3 Win; Crescents Move To Within A Game Of Mullins In American

## Leetonia Trips VFW 5-3 As Keglemyer Romps At Plate; Sinclair Pummels Furnace

Paced by heavy hitting Niel Keglemyer, Leetonia's Crescents closed the gap between themselves and Mullins to one full game Tuesday night by edging the lowly VFW team 5-3 at Centennial park.

The Sinclair Oilers swept to an easy 10-1 win over the Electric Furnace in the curtain-raiser.

The Vets took an early one run lead in the second inning, but the Crescents tied it up in the third on a circuit cut by Keglemyer. Leetonia then went ahead with a two run rally in the fourth on two errors by the Vets. They were never headed after that point, tallying another run in the sixth.

John Clunen, Leetonia moundman, allowed seven safe bolls, walked one and fanned five. Fred Cain held Leetonia to six safeties, but walked five men.

Keglemyer continued his sensational hitting with two doubles, in addition to his homer, in three trips to the plate. Spencer and Fred Cain collected two hits apiece for the VFW.

Keglemyer surplanted Pat Mancuso as Leetonia's top hitter and, if he performs as well in the Crescent game Friday against the Eagles, stands a good chance to be piling the loop at the end of the week.

The victory brought Leetonia up a game and a half over third place Ohio Grills.

By virtue of 12 bases on balls Sinclair won their game over the Electric Furnace. The Oilers continued to swing blindly, collecting out four hits an extension to their team batting slump.

Bob Miller, the loop's top clubber, garnered two singles out of four trips to the plate. The other two Oilers knocks were contributed by "Si" Sidinger and Fred Schmid.

Chet Brautigan limited the Furnace to five bingles. The losers and Howard Gray and Brown on the hill. Between them they tossed 13 men and struck out four.

The first seven Sinclair runs came on only two base hits and were scored in the first two innings. They added three more in the fifth on three walks and two singles.

Leading hitter for the Furnace was Bob Buchanan, who got a pair of singles.

The win moved the Oilers up to three games behind the Jaycees and Eagles, who rest in a tie for fourth place.

## TRIBE SETS SIGHT ON FOURTH PLACE

Feller Set To Shoot For Win No. 18 Today As Reynolds Wins

CLEVELAND, July 24—Cleveland's Indians set their sights on fourth place today and judging from their recent efforts the Tribesmen are a good bet to make it.

Welcomed home from the east last night by a crowd of 25,399, the Indians went to work and put on a show.

Allie Reynolds, whose comeback has solved one of Manager Lou Boudreau's main hurling problems, shut out the Philadelphia Athletics with three singles as Cleveland won 2 to 0 to move within three games of the first division's lower rung. The triumph was Reynolds' fourth straight and sixth of the year.

The Athletics didn't make a solid hit off Reynolds until the eighth inning. Pete Suder scratched a single to deep short in the fifth, but Pinch Hitter Buck Stainback delivered the first clean hit in the eighth. Sam Chapman collected the other hit in the ninth.

Bob Feller will shoot for his 18th triumph as the clubs resume their series today. The A's nominated Rookie Bob Savage.

## Johnny Davis Tags Potter Hurler In Extra Inning Win; Rec Measures Italian Club

A spirited Washingtonville softball outfit threw a bombshell into the Salem China's National league pennant chances by blasting out a thrilling 4-3 victory in the ninth inning of a crowd pleaser at Centennial park Tuesday.

In the other loop tilt a rejuvenated Recreation team, piloted from the sidelines once again by Joe Kelley, experienced a relatively easy evening, winning over the Italian American club 4-0 as Bill Pauline twirled a neat four-hitter.

The Washingtonville victory, which moved the China to a full game below league-leading Demings, was featured mainly by the blistering attack at the plate displayed by talented Johnny Davis, Bingley backstop.

Davis, literally on fire at the plate, slapped away for a home run, a triple and a single in four trips to the pan. He scored two of his team's runs and knocked in the winning tally with the single in the first of the ninth scoring Buck Jones, who had led off with a single.

Potter Dale Ritchie, one of the hardest working hurlers in the loop, was far from ineffective, but the Hunter Machine lads did get to him for a juicy seven hits which seemed to come when needed. He walked none and fanned three while his mates committed a pair of errors.

Washingtonville's Bell hurled a beautiful game and was backed by some of the finest fielding seen this season in the National. He gave up eight hits but kept them well scattered and got out of some precarious situations. He walked two and fanned one.

The Old Timers showed some of the form seen in the past two seasons Tuesday, defeating the Italian outfit as Pitcher Pauline was backed up by some of the veteran Rec stars who have been idle for weeks.

After notching one run in the opening frame, the Rec came to life again in the fourth to blast away for three straight hits climaxed by Martin "Peanuts" Debnar's triple which scored Jimmy Primm and Ralph Moffett, both of whom hit safely with one away.

Both hurlers were in the same groove, but Pauline's job paid off. Pauline gave up four hits, fanned three and walked none while his mates dished out a pair of errors. Bill Guappone's mound assignment turned out exactly the same with the exception of the four run difference.

The victory moves the Recreation a half game closer to the top but their notch is still No. 7. The Italian A.C. dropped a half game out stays in fourth, half a game ahead of Bingley.

## Dodgers Edge One Over Siceville

The Salem Althouse Dodgers edged out the Siceville Merchants in a tilt played in Youngstown Tuesday night when they pushed across a three run rally in the eighth inning 4-3.

"Buster" Wukotich twirled for the locals and allowed seven hits. The Salem team collected 19 safeties off the deliveries of the Siceville hurler, P. Squeneri.

Leading hitters for the winners were Mel Wukotich, "Batty" Morrison and Steve Cibula. Cibula connected for a home run.

The Dodgers meet the Ringside club of Youngstown at 6 p. m. at Centennial park tonight.

Milk Price Up In Most Ohio Cities

Housewives in Ohio's principal cities are paying three cents a quart more for milk, and most of them have seen the increase tacked on their food bills since June 1.

The OPA allowed a one-cent increase before it died, and its death was followed by an additional two-cent hike in price, attributed to the loss of federal subsidies.

The delivered price per quart is 18 cents in Salem, Akron, Cleveland, Cincinnati, Toledo, Dayton and Youngstown; 17 cents in Columbus, a survey showed today.

Grocery stores in some cities, notably Cleveland, sell milk for a penny less than the milkman who puts it on the doorstep.

Under the price control act, the federal government gave a subsidy of 65 cents a hundred pounds to milk producers, and this rate was to have continued through July, August and September. Then it was to go to 80 cents during the next three months.

Expiration of the price control act, however, deprived the farmers of this subsidy, which was intended to compensate the producers for increases in cost and to encourage them to keep up production.

Now, the burden of making up for loss of the subsidy has been passed along to consumers in the form of the two-cents a quart increase.

Akron Liquor Supervisor Fired, Successor Named

(By Associated Press)

COLUMBUS, July 24—The state liquor control department today named J. J. Scanlon of Cincinnati temporarily in charge of its Akron enforcement district, replacing suspended Ralph Kittle.

Director Robert M. Sohngen earlier suspended Kittle pending an investigation of the Akron chief's statements to the press.

Scanlon, now an inspector at Dayton, will be "acting agent-in-charge" in the Akron district.

Kittle, who drew a 30-day disciplinary suspension, had been quoted as accusing Enforcement Chief Frank W. Kleinfelder of using "Gestapo-like tactics."

able at the end of five years at their face value plus interest accrued at two and one-half percent. Payments in amounts other than a unit of \$25 would be in cash. A man entitled to \$85, for instance, would receive \$75 in bonds and \$10 in cash.

Payments entirely in cash would be made to men discharged before Jan. 1, 1943, and to survivors of men who have died since their discharge.

\$3,000,000,000 Item

Both the senate and the house versions are estimated to cost up to \$3,000,000,000, although under the bond proposal not all of that would be paid out in cash at once.

The senate provided in addition that no service personnel shall receive payments for more than 90 days of unused furlough time accruing after Sept. 1 of this year. The house bill contained no such provision but declared a congressional policy that no terminal leave payments be made in future wars.

The senate limited to 30 days the accumulated leave payable in future wars.

Heretofore, only officers have been paid for unused leave time up to a maximum of 120 days.

## Milk Price Up In Most Ohio Cities

Housewives in Ohio's principal cities are paying three cents a quart more for milk, and most of them have seen the increase tacked on their food bills since June 1.

The OPA allowed a one-cent increase before it died, and its death was followed by an additional two-cent hike in price, attributed to the loss of federal subsidies.

The delivered price per quart is 18 cents in Salem, Akron, Cleveland, Cincinnati, Toledo, Dayton and Youngstown; 17 cents in Columbus, a survey showed today.

Grocery stores in some cities, notably Cleveland, sell milk for a penny less than the milkman who puts it on the doorstep.

Under the price control act, the federal government gave a subsidy of 65 cents a hundred pounds to milk producers, and this rate was to have continued through July, August and September. Then it was to go to 80 cents during the next three months.

Expiration of the price control act, however, deprived the farmers of this subsidy, which was intended to compensate the producers for increases in cost and to encourage them to keep up production.

Now, the burden of making up for loss of the subsidy has been passed along to consumers in the form of the two-cent a quart increase.

## Akron Liquor Supervisor Fired, Successor Named

(By Associated Press)

COLUMBUS, July 24.—The state liquor control department today placed J. J. Scanlon of Cincinnati temporarily in charge of its Akron enforcement district, replacing suspended Ralph Kittle.

Director Robert M. Sohngen earlier suspended Kittle pending an investigation of the Akron chief's statements to the press.

Scanlon, now an inspector at Dayton, will be "acting agent-in-charge" in the Akron district.

Kittle, who drew a 30-day disciplinary suspension, had been quoted as accusing Enforcement Chief Frank W. Kleinfelder of using "Gestapo-like tactics."

able at the end of five years at their face value plus interest accrued at two and one-half percent. Payments in amounts other than a unit of \$25 would be in cash. A man entitled to \$85, for instance, would receive \$75 in bonds and \$10 in cash.

Payments entirely in cash would be made to men discharged before Jan. 1, 1943, and to survivors of men who have died since their discharge.

#### \$3,000,000,000 Item

Both the senate and the house versions are estimated to cost up to \$3,000,000,000, although under the bond proposal not all of that would be paid out in cash at once.

The senate provided in addition that no service personnel shall receive payments for more than 90 days of unused furlough time accruing after Sept. 1 of this year.

The house bill contained no such provision but declared a congressional policy that no terminal leave payments be made in future wars.

The senate limited to 30 days the accumulated leave payable in future wars.

## Airport Improved

DAYTON, July 24.—A 10,000-foot runway of 21-inch-thick, steel-reinforced concrete is under construction at Patterson field today. Ground was broken yesterday for the \$4,000,000 project which is designed to equip the field for handling B-36s and other army sky giants of the future.

## OBITUARY

### MRS. THEODORE JENNINGS

Mrs. Minnie Jennings, 79, died at the Raney Nursing home, N. Ellsworth ave., at 9:30 a. m. today, following a cerebral hemorrhage and a fall three months ago.

Born Oct. 1, 1866, at Millport, she was a daughter of Mervin and Caroline Thompson. A sister of the late Police Chief Thompson, she was a former member of the Eastern Star.

She had made her home with her sister, Mrs. E. D. Barber, Damascus road, since the death of her husband, Theodore, nine years ago.

Surviving are two sisters, Mrs. Barber and Mrs. Ellen McKee of Pittsburgh, and three step-sons, Charles, Clarence and Floyd Jennings.

Funeral service will be held at 8 p. m. Thursday at the Arbaugh-Pearce funeral home, in charge of Rev. C. F. Evans. Burial will be in Lakeview cemetery, Cleveland.

Friends may call Thursday evening at the funeral home.
